We are now new clergies and wives, we are not as were before the seminar, therefore we prornisef you Bishop that we will use all that we have been taught, and use all gifts that Holy Spirit has given us during the seminar.

SPECIAL REOUEST. We would like kindly Dear Bishop to ask you to arrange for us " -.such kind of seminar frequently as the funds allow'..

~ Because if we don't get such seminars we become like a garden without water, even fertilizer. We will definitely get dry. Therefore we say to SOMA Group welcome again.

Lastly Fr. Bishop, we would like to express our sincere thanks to all office bearers, cooks, helpers, and drivers who always have been busy for us. We kindly ask you Bishop to convey our thanks to them all. Their service has blessed us all.

Bwana Asifiwe! !
